

In gratitude to God for the grace we have been given, we commit our time, our talent, our treasure, to what God is doing in and through CPC.

Consider proportionate giving. When we each give a percentage of our income, this is a fair way to share the responsibility and the privilege of financing God's work at CPC. The biblical tithe is 10%; not everyone can give 10%, though some can and do.

A recent survey of elders revealed most give between 5% and 7% of their income to CPC.

If you're just beginning, consider giving 2% or 3% of your income and increase by 1% each year. Whatever the amount, all our gifts are important as we *make a difference* for God.
