

The Purpose of Our Program is

- ☼ To promote quality preschool for the community
- ☼ To help families meet their childcare needs with a 2, 3 or 5 day program
- ☼ To support the growth of the whole child

Christ Presbyterian Preschool provides a place where each child is recognized as an individual with his/her own interests, experiences, abilities and needs. Therefore our program provides them with opportunities for optimum growth physically, socially, emotionally, spiritually and cognitively with understanding that children grow and develop at their own pace.

Christ Presbyterian Preschool believes children learn by doing, by interacting with materials, their peers and adults and that process is far more important than the finished product.

The Curriculum Encourages Teachers

- ☼ To respect and value cultural, ethnic, and ability differences among children
- ☼ To support children in their thinking by asking open ended questions
- ☼ To spend time on a project that motivates the children
- ☼ To be a facilitator

The Preschool

at Christ Presbyterian Church

Christ Presbyterian Preschool is:

A child centered preschool open from 7 am to 5:30 pm Monday through Friday for children ages 2 to 5. We are licensed by the State of California, Department of Social Services. #372005402

A place where children are recognized in a very special way, encouraged and challenged in their growth.

A non-profit community service which is an extension of Christ Presbyterian Church.

Because of our low child/teacher ratio, the different activity centers, and the variety of options offered throughout the day, your child will:

- ☼ Foster a positive self concept
- ☼ Grow in language and imagination skills
- ☼ Have opportunities to be challenged through the use of creative materials
- ☼ Develop social skills as he/she works and plays with others
- ☼ Embrace his/her large and fine motor skills
- ☼ Discover the wonders of God's creation
- ☼ Be valued as a unique and special child

Admission

Christ Presbyterian Preschool is non-discriminatory and offers equal treatment and access without regard to race, color or religion.

It is open to any child two years old through five years.

Health and Nutrition

For the protection of all, we ask that children recuperating from an illness be free from symptoms for a minimum of 24 hours before returning to school.

The school will provide morning and afternoon snacks. High protein foods, milk, fruits and vegetables will be served. Parents are asked to provide a balanced nourishing lunch for their child.
